Nikhil Wani

Fresher

I'm a Electronics and Telecommunications Engineer whose passion lies in computer programming. Curious as to why these programs worked the way they do, I started learning how to code. As I started learning I've came across many technologies. This passion carried me through my education. I studied new languages, algorithms, technology, compilers. And it was here that I learned truly how much there was to learn yet.

EDUCATION

Post Graduate Diploma in Advanced Computing
Centre for Development of Advanced Computing Hyderabad

02/2020 - 02/2021   *73.00%*

BE in Electronics and Telecommunication Engineering
VIVA Institute Of Technology Mumbai

2014 - 2018   *60.07%*

HSC
Prakash Vidyalaya Junior college

2012 - 2014   *63.23%*

SSC
Shree Ram Welfare Society High school

2011 - 2012   *65.45%*

PERSONAL PROJECTS

Intelligent Safety Driving Vehicle in Python
(2017 - 2018)
- This project aims to build an intelligent vehicle, it is capable of reaching the destination safely and intelligently thus avoiding the risk of human errors.
- Technology Used : Python, Numpy, Opencv, Object Detection, Tensorflow.

Community Hub (2021 - 2021)
- Community Hub is a social platform where users submit and comment on topics or ideas that other users 'upvote' or 'downvote' based on if they like it.
- Technology Used : Java, Spring Boot and Angular 9.

TRAINING

Python Programming
Aptech Computer Education

05/2019 - 07/2019   *Mumbai*
Grades : Distinction

SKILLS

Programming Languages : C, C++,C#, Python, R, Java.

Database : Mysql, Mongodb.

Web Development : HTML, Css, JavaScript

Tool's : VS Code, Jupyter Notebook, Eclipse.

Others : GCP, Azure, Github.

ACTIVITIES

Technical Advisor in IETE Student Forum.
(08/2016 - 05/2018)

Student Co-ordinator at IETE Committee. (2015 - 2016)

Organized Circuit building event in Technical fest.
(2017)

PUBLICATIONS

Intelligent Safety Driving Vehicle (03/2018)
International Journal of Advance Research, Ideas and Innovations in Technology (IJARIIT)

CERTIFICATES

Python Certified from Aptech Computer Education

Microsoft Certified: Azure Fundamentals

Cloud Engineering with Google Cloud Coursera

Databases and SQL for Data Science IBM

Google IT Automation Professional Certificate Coursera

Data Cleaning Kaggle

Six Sigma White Belt
The Council for Six Sigma Certification (CSSC)
